present application. If the 661 application has issued, or is likely to issue by the time an indication of allowable subject matter is received, the present rejection can likely be overcome through the filing of, for example, a terminal disclaimer. Until such time, however, Applicants respectfully submit that the present rejection is premature and should be withdrawn.

Applicants believe the foregoing constitutes a complete response to the Office Action of record, and respectfully submit that claims 12-22 are in condition for ready allowance. An early Office Action to that effect is, therefore, earnestly solicited.

Respectfully submitted,
